SERVITE DOMINO IN TIMORE

Back in July, I requested donations to help with two small restoration projects. Our parishioners responded with great generosity! We were able to recover our antique narthex bench. We will also soon have our façade signs updated and cleaned. This work has been delayed because the artist refurbishing the signs needs to use heat-sensitive gold leaf to match. In addition, enough was raised to reupholster our sedilia in the sanctuary.

I come to you today with another “only-at-St.-Patrick’s” restoration project. In 1958, Msgr. Bezou commissioned a set of vessels for St. Patrick’s to celebrate the 125th anniversary of our founding. This set included a chalice, paten, ciborium, monstrance, custos, thurible, boat, aspersion and processional cross. Each piece of the set is artistically related to one another by means of the Irish weaving motif. The original condition of this **solid bronze processional cross** is pictured in this historic photo.

Not long ago, I was organizing the sacristy and discovered the matching processional cross! However, to my surprise, it had fallen into disrepair. The decorative stones had gone missing, the metal node was significantly dented and our Lord’s body had become totally detached.

After some consulting with two restoration companies, there is hope for a full recovery with minor modifications! If you would like to contribute towards this restoration, please contact me or Mrs. Jan Merington at the parish office. The total projected cost of the restoration is \$2,500. This processional cross is completely unique to St. Patrick’s. With your help, future generations will see it as a beautiful way to lift high perfect love that our Lord has shown us! ~ Fr. O’Brien

HURRICANE PRAYER

Our Father in heaven, through the powerful intercession of Our Lady of Prompt Succor, spare us from all harm during this hurricane season, and protect us and our homes from all disasters of nature.

Our Lady of Prompt Succor,
hasten to help us. ~ Amen.
