Many of you have noticed that our **church signs** have been restored and updated with our new Mass times. I'm very grateful to those generous parishioners who contributed to this project. I can't keep track of how often throughout the day people stop on the sidewalk to admire our church. Many come in for a quick visit to pray with our Lord in the Eucharist. Thanks to the expertise of artists and generous contributors, our signs are ready to beckon the faithful to Mass for many years to come!

St. Patrick's has so many moving parts and the need to make plans well in advance is pressing! In that vein, I have already begun to consider our **celebration of Holy Week**. In

addition to the chanted Passion in Latin on Palm Sunday, I am curious about how many of our parishioners would request that we celebrate the Holy Triduum in the Extraordinary Form. I know this would represent a significant change from years past. Many parishioners and guests are accustomed to the Holy Triduum in English at St. Patrick's. However, I cannot overlook that our large Extraordinary Form community may desire St. Patrick's to celebrate the Triduum in Latin with the older use. As a result, I have already begun to discuss this possibility with our parish councils, with our parish RCIA group and with key volunteers. I welcome all other parishioners to express their thoughts on this matter before the decision is made. Feel free to e-mail me at gobrien@arch-no.org you may call me at (504)525-4413.

After a slight delay, I am able to present to you our parish **financials for the first quarter** of this current fiscal year (July through September). The total income and expense has been outlined for you in the "Stewardship" section of our bulletin. So far we have seen an increase in the first collection totals indicative that the "summer lull" has concluded. Our actual first collection income is not quite meeting our budgeted numbers yet, but we are on the right track. Our second collection income and music donations are very strong. Extraordinary income is currently meeting our projections, and in general, non-fixed expenses are below budget. I say this with caution because we have not begun to make payments on the now-infamous new air-conditioning system! As always, I welcome your questions and comments regarding the administration of our parish. Similarly, I truly value your understanding, your efforts and your generosity which make St. Patrick's the unique spiritual home that it is!
