### HAPPY FATHER'S DAY!

God our Father, through the intercession of St. Joseph, the foster father of Your Son, Our Lord Jesus Christ, we give you thanks and praise for all fathers in the world.

We pray for them so that they may find courage and perseverance to balance work, family and faith in joy and sacrifice.

We remember fathers, grandfathers, and great grandfathers who are no longer with us but who live forever in our memory and nourish us with their love. Amen.

## CORPUS CHRISTI PROCESSION

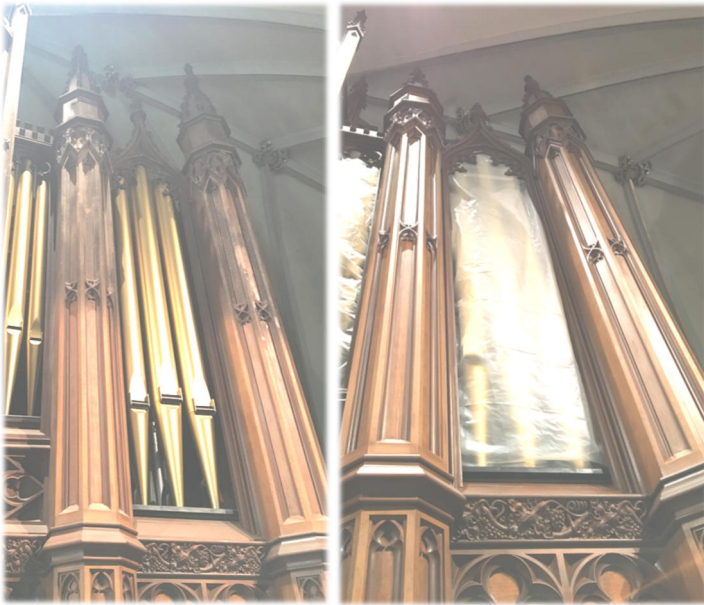

## SERVITE DOMINUM IN TIMORE

The health of our organ and its historic case has been on my mind ever since arriving at St. Patrick's last summer. Over time, dust and mold had accumulated. Our first step in preserving this musical and architectural treasure was the replacement of our antiquated air conditioning system. With that project substantially complete, I was able to contract a company to clean the case and restore it to its Gallier-designed glory! The plastic protecting the pipes will be removed by the end of the summer when some additional cleaning is done in the choir loft. The project is only possible because of your faithful and generous donations to our Restoration and Maintenance collection. This particular project cost about \$6,000. See the before and after photos below:

BEFORE

AFTER

With the organ case taken care of, there is no shortage of other improvements which will provide for the longevity of our physical plant. Two other recent repairs should be noted: Our exterior sacristy door was protected from the rain by a small overhang. It was suffering from rot and lost its water seal. After being rebuilt, it has been installed and painted with the original copper roof and gutter. Also, the stairs that lead to our second floor choir room in Reynold's Hall had fallen into disrepair and holes were forming with rust. Because of the generous help of a volunteer, the stairs are being repainted and repaired by a metal worker.

One initiative that will benefit our after-Mass coffee hours is the maintenance of our courtyard. Now that there is less A/C equipment, I am looking for some good ideas about how we can use the extra space. If you have thoughts about more seating or more plants, I would love to hear them. Please contact me if you're interested in working together on this!

Finally, please be reminded that next weekend is the last time that Fr. Saunders will be with us due to his reassignment. We hope he comes to visit occasionally, but I would encourage our 8am and 9:15am congregations to express your gratitude for his generosity toward our parish for the last 15 years.

~ Fr. O'Brien
