PRAYERS AFTER SUNDAY MASS

Please join in!

St. Michael the Archangel, defend us in battle; be our protection against the wickedness and snares of the Devil. May God rebuke him, we humbly pray; and do thou, O Prince of the heavenly hosts, by the power of God, cast into Hell Satan, and all the evil spirits, who prowl throughout the world seeking the ruin of souls. Amen.

Hurricane Prayer, Our Father in heaven, through the powerful intercession of Our Lady of Prompt Succor, spare us from all harm during this hurricane season, and protect us and our homes from all disasters of nature. Our Lady of Prompt Succor, hasten to help us!

SERVITE DOMINUM IN TIMORE

On this great feast of All Saints, our hearts are drawn upward to the vision of the family of God assembled in holiness. The theology of today's feast centers on God's action to draw all men to Himself and our call to be saints and nothing less! The efforts of mankind to grow in holiness have taken so many forms through the ages. Here at St. Patrick's we strive especially to show the holiness of God through beautiful liturgy, music and the other arts. How blessed we are to benefit from the sacred heritage we have which advances the cause of sanctity! My prayer is that the beauty that adorns this place inspires spiritual growth, for it not a mere museum peice!

In light of this, allow me to give you a practical update on restoration projects which our parishioners have so generously supported. First, we are making progress toward the installation of **new lights** in the church ceiling. The appearance will not be altered, but the energy savings and heat reduction will be a major leap forward. Also part of this project is a new design of our sanctuary lighting. You may have noticed that three of the fixtures shining on the frescos have burnt bulbs. We have deemed changing them to be a safety hazard due to their height, but we have devised an alternate fixture and mounting to be installed shortly.

Next, we have signed a contract with the Emil Frei company to preserve our upper stained glass windows with **protective exterior glass**. This project is slated for January. We have also been engaged in various repair projects: two serious air conditioner malfunctions, persistent water intrusion issues near the St. Christopher statue, and a lightening strike from this past summer whose effects continue to be addressed.

Lastly, I have been consulting with several contractors to refurbish our **church pews and wood floors**. We now have 5 samples completed from four different companies and must soon make a decision regarding how to proceed. The deliberation seeks to balance an aggressive refinishing technique that may deteriorate some of the finer wood working detail versus a gentler method that will allow visible defects to show through. We have a lot of information about techniques and products used on these samples. Since this is a project that will affect our parish for many years to come, I warmly welcome questions and feedback from parishioners. Please call or email me if you would like more information. Currently, the project is slated from late July to mid-October 2027. Many more updates to come!

These projects make God's holiness present to all who enter and pray! Please know of my deepest gratitude for your faithful and generous support. ~Fr. O
